Catalog Lookups

Web helpers

Purchase on-demand

# Server AddonExamples

PDF Reminders

Post-Search Routing

New request confirmation e-mails\*

# AddonResources

- IDS Server Routing Rule  
<http://bit.ly/1dviBrY>
- Addon Documentation & Directory  
<http://bit.ly/1ckluvt>
- Server Addon Commands  
<http://bit.ly/1fzroJC>

# Addon #1

1. Use the IDS Server Routing Rule
2. Route requests from Awaiting Copyright Clearance for username jkosta to Awaiting Special Copyright Clearance

# Server Addon Basics

1. Addon Execution Interval
2. Exploring Settings for a server addon
3. Setting Active to true/false
4. Making code changes and incrementing version

# Addon # 2

1. Write an addon that will send confirmation **e-mails**
2. Add a **note** to the transaction to indicate the e-mail was sent
3. Log **vs** Log – Add an event log entry

# Thanks!
