

Aeon Addons

Presenter: Katie Gillespie, Aeon
Implementation and Product Lead

- Develop addons that aim to benefit the Aeon Community at large
- Less custom development
- Current addons publicly available in Aeon Documentation
- Aeon API

Aeon Addon Directory

updated by [cankney](#) (Mar 14, 2016)

ⓘ Atlas does not support default addons or user-created addons. If you need assistance with using, troubleshooting, or writing addons, please contact [Atlas Systems](#) for a custom services quote.

The Aeon Addons Directory includes Addons that may be useful for your site. If you create an Addon that you would like to share with your fellow Aeon users, please contact us and we will add it to this list. See [Submitting Addons](#) for more information.

- [Aeon Alma Barcode Lookup Addon](#)
