

A colorful poster for the ArchivesSpace 5th Annual Historic Member Forum. The poster is divided into several sections with various icons and text. The top left says "Welcome" in a cursive font. Below it is a cassette tape icon. To the right, the word "HISTORIC" is written in a bold, sans-serif font with a double-headed arrow pointing right. Below "HISTORIC" is a vinyl record icon. To the right of the record is a stack of photos icon. The top right section features the "ArchivesSpace" logo in a large, stylized font, with "a community served by LYRASIS" underneath. Below the logo is the text "Austin, Texas" in a cursive font. The center of the poster has a large red box with the text "AUG 2 2019" in a bold, sans-serif font. To the left of this box is a vertical blue bar with the text "5TH ANNUAL" written vertically. To the right of the red box is a blue bar with the text "MEMBER FORUM" in a bold, sans-serif font. Below the blue bar is a camera icon. The bottom right corner features a large, stylized "A" logo in a red and yellow color scheme. The bottom left corner has a yellow box with a silhouette of a building icon.

Community Resources and Support
ArchivesSpace Annual Forum
August 2, 2019

ArchivesSpace
a community served by LYRASIS

Community Engagement

One of the guiding principles of ArchivesSpace is to foster a community of mutual support, making it possible for members to help each other and themselves.

Cross council sub-teams: Testing, Development Prioritization

Participating in working groups like the Annual Forum planning working group

Communicating with each other via the listservs

Hosting a training at your institution (or leading trainings for others)

Contributing to the ArchivesSpace blog

Contributing documentation

Participating in our Annual, Regional and Online forums

Attending or presenting webinars

Ways to get involved in the technical advancement of ArchivesSpace

Submitting JIRA tickets

Getting appointed to the Technical Advisory Council and its sub-teams

Making suggestions for Technical Documentation

Volunteering to test new release candidates

Becoming a Core Committer

Submitting code

Do you view ArchivesSpace and your role within the ArchivesSpace community differently than you do your relationship with proprietary software you may use in your role? How?

What is the first way you try and find an answer to an ArchivesSpace question?

What do resources do you currently like and use from the program team?
From the community?

What do resources do you wish you saw from the program team?
From the community?

A colorful banner for the ArchivesSpace 5th Annual Historic Member Forum. The banner is composed of several rectangular blocks in various colors (red, orange, blue, yellow, brown). The top left block is red with the word "Welcome" in white cursive. Below it is a yellow block with a cassette tape icon. To the right is an orange block with the word "HISTORIC" in white bold letters and a white double-headed arrow. Below that is a yellow block with a stack of photos icon. The top right block is blue with "ArchivesSpace" in large white and red letters, and "a community served by LYRASIS" in smaller white text below it. Below the "HISTORIC" block is a yellow block with a vinyl record icon. Below the "photos" block is a red block with "AUG 2" in white bold letters, and below that is a larger red block with "2019" in white bold letters. To the right of the "AUG 2" block is a yellow block with "Austin, Texas" in red cursive. Below the "AUG 2" block is a brown block with an open book icon. To the right of the "2019" block is a blue block with "MEMBER FORUM" in white bold letters, and below it is an orange block with a camera icon. On the far left, a vertical blue block contains the text "5TH ANNUAL" in white bold letters. On the far right, a yellow block contains a large red "A" logo.
